

The Bandera PROPHECY

January 17, 2024

Mark Miller announces for Republican County Chair

March 5, 2024, marks a pivotal election that will shape the future of our electoral process in Bandera County. If elected, I am committed to overseeing the Bandera County Republican Party, ensuring fair elections that align with the current laws.

As the leader of the Republican Executive Committee, I will prioritize an organized and inclusive approach, free from intimidation, fostering an environment where everyone feels empowered to express their ideas. I extend an open invitation to all Precinct Chairs, encouraging active participation in the diverse aspects of the Republican Party's affairs and activities.

I will encourage Precinct Chairs to reach out to their constituents building relationships to foster attendance at the Bandera County Republican meets. Residents will be encouraged to attend local GOP meetings and participate by volunteering for our committees and community events. One person cannot accomplish much without help. It will be WE, NOT I or Me!

It is time to reclaim control of the Republican Party in Bandera County returning to the fundamental principles envisioned by our Founding Fathers. Let's rediscover the essence of our party and ensure its integrity for generations to come."

I Am Asking for Your Vote! Your vote does matter!"
