Register early for Life Line Screening

By Amy Dee Hawley
Special to the Prophet

Life Line Screening, a leading provider of community-based preventive health screening, will offer a preventive health event at Silver Sage on Sept. 26.

Five screenings will be offered that scan for potential health problems, related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk, and a bone density screening, for men and women, used to assess the risk of osteoporosis screening from \$149 (\$139 with member discount).

All five screenings take 60-90 minutes to complete.

There are three ways to register for this event and to receive a \$10 discount off any package priced above \$129. Please call toll-free 888-653-6441, visit <http://lifelinescreening.com/communitycircle> or text the word circle to 797979.
