Bandera Rodeo Club closes out season

The Bandera Prophet

The Bandera Rodeo Club held their last two rodeos of their Summer Youth Series 2019 season on Aug. 17 and Aug. 24 at Bandera's Mansfield Park.

With the five event series winding down, there were numerous classes where a contestant could take the season championship with a good result in the last two rodeos.

Besides the individual event championships, where Hyo Silver buckles go to the winners, qualified participants were in the High Point Saddle points race. To be eligible contestants must have participated in three of the five rodeos and in three events per rodeo.

Both Brody Barker and Kase Riley, fighting for the lead in the boys high point race, had a good showing in the last two rodeos with Barker placing in the top three in five events and Riley scoring top threes in seven events to tighten up that race.

The girls high point battle had four entrants vying for the top spot. Grace Kelley, trying to hold onto an early season lead, was being chased by Emily Grant, Callie Kohlenberg and Harley Huff in a late season surge. All scored points on both weekends to add to their point totals.

Class and high point winners will be announced at a later date.
