Bandera Girls Cross-Country Coach

The Bandera Lady Bulldog Cross Country team competed last weekend in the Medina Valley Invitational Meet and finished fourth in a 20 team field, holding their own against many 5A and 6A schools.

All returning varsity lettermen improved their times over the 5 kilometer course, which is longer than the standard 3200M race for the girls.

Raelynn Butler, a sophomore, led Bandera while placing 11th individually to earn a medal.

In JV action, the Lady Bulldogs placed 10th out of 19 teams. Freshman, Kaitlin Doebbler was second in the first half of the race and moved into first, but it became a footrace in the last 40 meters and Doebbler was edged out to earn the silver medal.

All of the JV runners that competed last week improved their times, some running over a minute quicker.

The varsity boys placed 16th and were led by Ethan Brown, finishing 37th overall. In the field of almost 200 runners, two other Bulldogs, Logan Dybowski and Sam Nimmrichter, placed in the top half of the

field. Also running were Braden Cox, Bailey Cox, Jesus Rodriguez, and Kelly Columbia.

The JV boys had a very strong race, finishing 10th overall. The team was led by Jacob Haas, followed by Juan Reyna, Cody Jureczki, Sage Wiltse, and Reese Mazurek. Several of the JV boys set personal records over the 5K distance.

All of the Bandera cross country teams will run in Llano Saturday.

Volleyball

Bandera

The Lady Bulldog varsity defeated Comfort on the road Friday night, 3-1, and followed that up with a straight set match victory, 3-0, over Jourdanton on Tuesday night at home.

No stats were received from Bandera ISD for either match.
