St. Christopher's Episcopal Church Sponsors Community Ministry Fair

On Sunday, Jan. 5, from 1 - 3 p.m. in the Parish Hall, St. Christopher's Episcopal Church offers an opportunity for individuals to meet representatives from nonprofit organizations serving Bandera County. The Outreach Committee of the parish hopes that individuals attending will volunteer to help an organization and/or find help to meet a need they have. St. Christopher's location is 395 State Highway 173 North. The fair is free and open to the public. Some of the nonprofit organizations participating are Bandera County Helping Hand, Bandera Fire & Rescue, Boys & Girls Club, Hill Country CASA, Silver Sage (Meals on Wheels and Senior Center), and others. Representatives from two groups of the Episcopal Diocese of West Texas will also be present: Camps & Conferences and Habitat for Humanity.

Information on nonprofit organizations that serve Bandera County is available in one location on the website for St. Christopher's Episcopal Church: stchrisbandera.org. Visit website and click on the tab: Outreach Portal.
