Bandera's Lady Bulldog varsity soccer team entered the 2020 Battle in the Brush Country Soccer Tournament over the weekend and returned home with a good result.

The team played a total of six games over three days while finishing fourth in pool play.

The team opened the tourney with a 3-2 loss to the host team, Pleasanton and then had another one goal loss to London, 2-1.

Things were looking up on the second day with an early 5-1 win over Manor New Tech, but a 2-0 loss to Floresville would move the Lady Bulldogs into the Silver Division for the last day of play.

A good 3-1 win over Canyon Lake would allow Bandera to play London in the championship game.

Looking to avenge that earlier loss, Bandera gave it a shot but came up on the short end of a 4-0 score to take second in the Silver Division and collect the runner up trophy.

Highlights over the three days for Bandera were:

senior Goalkeeper Madison DeLanghe gave up 7 goals on 41 shots in 4.5 games and freshman backup, Bietzel Gonzalez, made eight saves on 14 shots for the balance of other games played.

Halle Rios racked up six goals, one against Pleasanton, three against

Manor and two against Canyon Lake.

Jordan Edwards scored twice against Manor and a single goal against London.

Georgia D'Spain, scored against Canyon Lake and

Hannah Edwards scored a goal against Pleasanton.

Defensive standouts for Bandera were Maci Morrison, Lauren Benedict and DeLanghe, stepping out of the net and onto the field.

"The girls showed a lot of heart in those three days playing together and for each other. I am very proud of the way these young ladies competed throughout the tournament," coach Westley Miller said.

Bandera won their home opener last night by a 3-1 score over the Burnet Lady Bulldogs. More on this game later.
