

The Bandera PROPHEET

January 14, 2020

Free seminar with vital information offered Wednesday evening

Take advantage of a unique opportunity to get free personalized financial, tax, legal and funeral planning advice at the "Life Decisions Seminar." The highly interactive event will be held at St. Christopher's Episcopal Church, 395 Hwy. 173 N, Bandera, on Wednesday, Jan. 15, at 6:30 p.m. All are invited.

This seminar is focused on information needed by seniors, as they enter the phase of their life when they may need assistance from their children or others to handle their health, legal and financial matters. We will also have experts on hand to share information that may help families understand what will happen after the death of a loved one (i.e. final tax re...turn, estate return, probate, etc.).

This seminar is provided as a community service effort by local, trusted businesses (Edward Jones, H&R Block, Eino Zapata Law Firm and Grimes Funeral Home). Our hope is to empower individuals and help take some of the stress out of this difficult time.
