New arrivals at the Medina Community Library

My Lady Jane, by Cynthia Hand, Brodi Ashton and Jodi Meadows
In Electronic Format

Edward is the King of England. He's also dying, which is inconvenient, as he's only sixteen and he'd much rather be planning for his first kiss than considering who will inherit his crown.

Heat Seeker, by Lora Leigh
In Electronic Format

John Vincent has always led a life of danger, and now he has every reason to want to remain as dead as the obituary in the Australian papers had proclaimed him to be. He'd left nothing behind in the life he had once led—except for one woman, and one night of unforgettable passion. Now, both will return to haunt him.
