Joe P. Herrera announces candidacy for Texas State Representative
House District 53

Natalia resident Joe P. Herrera is humbly asking for your vote in the 2020 Democratic Primary. Joe believes all Texans deserve the opportunity to pursue higher education. As your State Representative he will make public schools a top priority, working to increase access to high speed internet for students in rural Texas.

As your representative Joe will work to increase access to high quality health care for your families, encouraging medical clinics to move to rural communities creating jobs and peace of mind for your families.

As your representative Joe will work to create solutions to protect your property rights, demanding protection of local control, while demanding long overdue Eminent Domain reform.

This campaign is about your families, your concerns and working towards solutions. Joe can't do this without you, so please, come join the campaign and let's fight for your vision of Texas together.
