Stargazing by Jen Wang

Stargazing is a heartwarming middle-grade graphic novel. Moon is everything Christine isn't. She's confident, impulsive, artistic . . . and though they both grew up in the same Chinese-American suburb, Moon is somehow unlike anyone Christine has ever known.

The River Murders by James Patterson and James O. Born

Sometimes figuring out the truth means going to the point of no return. For Mitchum, returning isn't something he concerns himself with.
