The Lakehills Area Library will follow the lead of the Bandera Independent School District. As long as the schools remain closed, the library will also remain closed to the public. Therefore, at this time, the library will be closed until Monday, April 6.

Even though they will be closed to the public, the director has announced that the free WiFi will be available in the parking lot. Also, if a patron wants a book or DVD, one of the staff will be able to hand it to the patron through the door. The staff will be there to take care of routine chores, including faxing, copying, printing, and notarizing for patrons at the door. They will keep everyone posted on Facebook and their website: lakehillslibrary.org.

Library card holders can reserve books and DVDs online at the website. Patrons may call with questions and to request items and services.

Valerie Moore is our artist of the month with her beautiful oil paintings. Her exhibit will remain in the library until April 4.

Moore hails from Kerrville and is a Real Estate Broker by day. She paints for relaxation and finds pleasure in recording the scenery of the places in which she has lived or visited. The scenes she has captured include New Mexico, Colorado and our own Texas Hill Country.

Moore's works are available for purchase. She can be reached at 830-343-4040 or provenmarket@gmail.com. She is pleased to work with clients to provide custom paintings.

During this time of social distancing, the library's hours are Monday through Friday, from 10 a.m. to 5 p.m. It is located at 7200 FM 1283 and the phone number is 830-510-2777.
