Bandera ISD changes meal pick-up procedure

Beginning Friday, in an effort to maintain social distancing and to protect the health of employees, Bandera ISD will change meal distribution procedures using a two-station, fast food restaurant approach.

At Station 1, you will indicate by a show of fingers or a written sign how many children need meals. Unless your windows are heavily tinted, please leave your vehicle windows rolled up.

An employee will set out the meals on a table at Station 2, where you can retrieve them. Drivers are asked to not pull forward until they see that the table has been sanitized.
