The Bandera Lady Bulldogs opened the season with a bunch of good results at the second annual Medina XC relay race this past Saturday at Deer Creek Camp.

The event is unique in that instead of every runner against the clock, there are teams of three and a baton to be passed to the next runner, much like a track relay.

"This meet was a much anticipated one, as none of the girls have competed since March and this is the only meet that all of the girls will be able to participate together because of UIL restrictions. Practices have become highly competitive as each of the girls are working to prove themselves and earn a spot on either the varsity or JV, " Coach Brooke Ashcraft said.

In the JV division, the team of Sophie Hartmann, Alex Olivas and Madelyn Garza took gold; the silver medal went to Riley Smith, Ashlyn Brown and Madison Gillaspie; and the team of Sadie Smith, Emily Garcia and Katie Dibrell finished eighth.

In the varsity division, Bandera won silver with Raelynn Butler, Morgan Cole and Hannah Edwards.

The team of Gracie Bankston, Kaitlin Doebbler and Summer Haby finished fourth with Danielle Gonzales, Trinity Butler and Mallorie Powell taking fifth.

"I was extremely excited and proud of each of the girls and their efforts at the meet. I loved watching their support of one another as they encouraged each other until every single teammate was finished. They truly understand what it takes to be a part of our Bandera XC family, one of the best programs in the state. I want to give a huge shout out to all of XC parents and all of their support of our program," Ashcraft said.

Bandera will next see action at Bandera City Park on Sept. 12, when they host the Bandera XC Invitational.

Events start with with the varsity girls at 8 a.m.
