During the public forum of the Sept. 10 Commissioners' Court regular session, Jarret Lamb spoke on behalf of private property owners in the Flying L subdivision. His concern was that certain private property owners, specifically of Lots 4 and 5 of section 5a were being denied access to a public thoroughfare. He had already visited the location with one commissioner and the county engineer, and asked the court to look into the matter.

Susan Junker, of American Legion Post 157, spoke on the upcoming 100th birthday of the American Legion on Nov. 7. She elaborated on the core tenets of the Legion and its rich heritage in Bandera, since the first post was commissioned Sept. 9, 1920.

Art Crawford, of Silver Sage, thanked the county and Jack Moseley for the use of Mansfield park, and Sheriff Dan Butts for security and traffic control during Food Fest. The Silver Sage, in conjunction with the San Antonio Area Food Bank, distributed more than 60,000 pounds of food to 1,328 families.

Crawford also mentioned that in February, the Silver Sage distributed about 2,868 meals to elderly and home bound people. In August, the number rose to 8,468.

They also increased from 75 volunteers to 141, and they still need more.
