Bandera falls to Carrizo Springs, 28-7

By Chris Darus

The Bandera Prophet

Bandera's varsity Bulldogs went to Carrizo Springs hoping to get to .500 in district play with a win Friday, but the host Wildcats had other ideas, winning the game by a 28-7 score.

Bandera struggled to get the offense moving against a tough Wildcat defense that only allowed the Bulldogs 162 total yards on 40 yards passing and 122 on the ground.

With over 10 players sidelined due to various reasons, Bandera had many on the roster playing both ways in positions they were unfamiliar with and basically going through on the job training in game six of the season.

"We made a ton of mistakes and not doing the basics. We had things that shouldn't be happening this late in the season. There were some mental mistakes, but we did go out in the second half, the defense picked it up and looked a lot better and gave us a chance to get back in the game. We just didn't capitalize on the chances and didn't get anything going," coach Joel Fontenot-Amedee said.

There are some players who don't get the recognition they should, some due to doing their jobs and getting it done and some due to nagging injuries.

"Garrett Meier has done real well in what we have asked him to do and

he grades out well when looking at film, there are some guys up front that played both ways Friday that have never played an entire game one way it was good to get Will Paul back, so I am proud of that. The result isn't what we want, but the effort is there, it's a lot better than game two, three or four earlier this season," Fontenot-Amedee said.

Looking ahead, Bandera will host Devine and Hondo at Bulldog Stadium on consecutive Friday nights.

The two teams played each other Friday and Hondo took the win by a 41-26 tally, giving the Owls the district lead at 2-0.

Devine is tough, well coached and has good football tradition and the Warhorses were one the teams picked to finish first or second in district before non-district started.

They are led by junior QB, Brady Hackelbeil, who is 31-62-621-8-3 through the air and has 676 yards on 73 rushes on the season. Senior RB, Buddy Santos, one of the top rushers in district, has 868 yards on 115 carries this season. As a team, the Warhorses have gained 2298 yards on the ground while averaging 328.3 ypg.

Both games, this Friday and the following Friday, are slated for a 7:30 p.m. kickoff and tickets are available online, as they have been all season.

#### Box score

	1	2	3	4	Final
Bandera	0	7	0	0	7
Carrizo Springs	7	14	0	7	28

#### **Bandera stats:**

Passing: T. Moore 3-11-40-1-1
