Meals On Wheels drivers needed

Contributed

It is time for winter Texans to go back home which means that Silver Sage has some routes that need drivers. Drivers are needed for routes on Monday, Wednesday and Friday. This is a huge need and your help would be greatly appreciated!

Being a Meals on Wheels driver is so rewarding. You get to know the clients on your route and some become very special to you. Driver A would visit her former clients in the nursing home every Thursday. Driver B took frozen meals to an elderly couple during the bad winter weather. Driver C takes food boxes to those who need extra food. And there are so many other examples of how our drivers go above and beyond.

Please seriously consider giving approximately one to two hours once a week to deliver food, smiles, comfort and friendship to seniors in need. You can download an application from the Silver Sage website: <https://img1.wsimg.com/.../Silver%20Sage%20Volunteer...>, or call Amy at 830-796-4969.
