

# The Bandera PROPHECY

April 5, 2021

This month at the Medina Community Library

Drop everything and read! If you read for 30 minutes at the library on Monday, April 12, your name will be entered into a drawing!

Need help practicing for the STAAR, SAT, ASVAB or DSST? Use your library card to access Learning Express Library, which offers online test preps, computer skills training, resumé, and more. It's free on the library's website.

The Medina Library is part of the TexShare Library Program. It allows readers access to libraries across Texas for free.

On Monday, April 19, from 2 - 3 p.m., the library will host Life Happens. This month's meeting will cover how to build an emergency preparedness kit, and why. An emergency preparedness kit contains the items needed to survive for 72 hours when evacuating from a disaster, although some kits are designed to last longer. They can take many forms according to need and situation. They have been encouraged by emergency services organizations including FEMA, the Red Cross and fire and rescue services. Craig Knight will talk about why you want one and what it should contain.

Other events include:

Hill Country Needlers on Friday, April 9, at 10 a.m.;

Medina Community Matters, Faith & Freedom on Monday, April 12, at 3 p.m.;

Genealogy Club on Tuesday, April 13, at 10:15 a.m.;

*The library's mission is to provide access to the world of ideas and promote life-long learning. It also functions as a community hub—a place for the increasingly diverse population of western Bandera County to come together to share ideas, information, knowledge and experience. In addition to occasional special public programs the library itself sponsors relating to topics of local interest (past programs have ranged from archaeology to digital photography to rainwater harvesting), it also hosts a variety of meetings, events and activities sponsored by other community groups.*
