Our friends from our school years, will always remain in our hearts. As we look back on the "good ole days," the memories of our high school friends will usually have a big role. Some of life's biggest challenges come during our formative years and I would bet that there is a school friend that helped you through it. I would also bet that most of your "fun times" from your youth also involved school friends.

Each year, on the second weekend of June, we present an opportunity for you to "relive" some of your memories. We invite you back and ask that you tell others to meet you in the little town of Bandera/Bandera county, where we went to school and where we made memories, while learning/forming values that have remained as big part of who we are today.

Come home & Share yourself with your friends this year at the Bandera All Class Reunion weekend.
