Warrior Support Group meets Tuesdays

White Rock Community Fellowship, along with Rusted Knight Ministries, is proud to announce it has been approved by the PTSD Foundation of America, headquartered in Houston, to be the latest location to sponsor a Warrior Support Group.

They meet every Tuesday night, at 6 p.m., at White Rock Community Fellowship in Bandera.

This is a group established for active duty and military veterans, as well as law enforcement officers who have experienced combat and conflict.

It is a faith-based organization that allows the warrior to speak, share and support one another.

Please call 210-439-0552 for any questions.
