Chamber of Commerce hosts open house and ribbon cutting

Members of the Bandera County Chamber of Commerce commemorated Texas Chamber of Commerce Week with an open house and ribbon cutting at Texas Hill Country Bank.

More than 325 businesses, non-profits and individuals are members of the Chamber of Commerce, all of whom share the common goal of helping further their collective success.

Chamber Week happens annually before BuckFest, and this year marks the 60th Gala. On Friday, Nov. 5, at 6 p.m., at Mansfield Park, BuckFest will feature a social hour, dinner and dance, live and silent auctions and raffle.

Entry tickets with raffle tickets are available on-line at the Chamber of Commerce website, as well as by email at cowboy@banderatex.com
