The BMS seventh and eighth grade “A” teams competed in Llano for their district tournament with great results Saturday.

The seventh grade team ended their season on a high note by finishing in second place to their nemesis, Lago Vista.

After defeating Blanco in three sets and Ingram in two, the Lady Bulldogs found themselves face to face yet again with Lago Vista. Pushing through fatigue, the ladies performed well in the face of adversity and, despite the loss, are proud to return home with some runner up hardware to add to the trophy case.

The Lady Bulldogs eighth grade team are district champs! They fought hard to win in two matches of three sets against Llano in the semis and Lago Vista in the final to end a great season. WE ARE ONE!
