November 25, 2021

Optimist Club Students of the Month

During the Nov. 17 Optimist Club meeting, students of the month Maci Morrison and Kyle Morgan were introduced by Bandera High School Assistant Principal Gina Austin.

Maci is a senior at Bandera High. She has attended Bandera schools since the sixth grade. Maci has not yet decided on a college, but hopes to get a volleyball scholarship at a school in either Texas or Oklahoma.

Kyle is also a senior at Bandera High. He hopes to attend a community college in the fall to get a fire science degree. He wants to be a firefighter, following in the footsteps of his father who serves the community as a state trooper.
