Volunteers have been asked to help search for a missing 5-year-old who was last seen yesterday on his home ranch off FM 3240 on Sharon Drive. Authorities received the call at 7:12 p.m. and searched overnight on foot and by air.

Cameron Michael was last seen at about 6:30 p.m. after he left his aunt's home and was walking to another relative's home, both on the 20-acre ranch. He was wearing a green shirt, blue jeans and cowboy boots. Chief Deputy Matt King said the property has numerous structures.

Volunteers may check in at the end of the road on Sharon Drive. To get there, King said to turn on Casey Drive off FM 3240; at the T, turn left and go to the end of the road.
