Bandera novice Shotgunners continue shooting tradition

By Chris Darus
The Bandera Prophet

The Bandera 4H Shotgun team is well-known in the state for producing good shooters and the up and coming novice team showed the same promise in recent shoots in Corpus Christi and Comal County.

Known as the “Orange Team” for the safety orange shirts they wear, Bandera usually has shooters competing for the top places at most events they enter.

The team has even produced quite a few shooters that have represented Texas at the Nationals in recent years.

The Comal County shoot saw Cyler Labay win the HOA award, (High Overall Average, for scoring the highest in all events) and the “Sportsman Award” for being the most notable shooter at the event.

Merry Robinson took two firsts in Wiz-bang and Skeet with a second place in Trap and teammate Everly Vanderzee was in the mix, making a shoot off for third and fourth place in Skeet.

The team practices four days a week when not competing, with Project Manager Robbie Robinson leading the way and under the watchful eyes of coaches, Edwin Browning Sr, Edwin Browning Jr., Jacob Vanderzee, Austin Moore, Matthew Drefke, and Daniel Martinez.

The team will travel to Victoria on April 2 and 3 for their next shoot.
