The Latest at the Lakehills Library

By Dianna Landes
Lakehills Area Library Director

Summer Reading is coming! The Lakehills Area Library will have summer reading programs every Wednesday at 10:30 a.m., starting June 8 until Wednesday, Aug. 3.

Each week a different performer or craft will be offered free of charge to children of all ages, thanks to a \$3,016 grant from the Bandera Electric Cooperative Foundation. The library will have a morning show each week at the library and an afternoon show at the Hill Country Elementary Boys and Girls Club to encourage children to read all summer long.

Schedule:

June 8: The Magic of Reading Magic Show with Richard Blake

June 15: A visit from San Antonio Zoo Animal Ambassadors Team

June 22: Balloon Bending and Storytelling with Mark Fuller

June 29: Crafting paper lantern sea creatures

July 6: Collage Crafting and Art Show

July 13: Happy Tails Entertainment

July 20: Texas Parks and Wildlife Department Ranger Visit

July 27: Socktapus Crafting

Aug. 3: Pirates! A visit from sword fighting pirates and a pirate party (come dressed as a pirate if you wish)

The second and fourth Tuesday of every month from 1-3 p.m., a representative from Centromed/Enroll SA will be at the library to help

people register for the Healthcare Marketplace, CHIP, and Medicaid. If you have questions about healthcare, you should come by and speak with Mary, you might be surprised at what you qualify for. They will be at the Lakehills Library June 14 and 28, from 1-3 p.m.

On Friday, May 27, at 11a.m., The Lakehills Library will host the second of its new technology education classes. Lakehills Area Library is working with AARP Senior Planet to bring our community quality technology education for all ages. We will be starting with a series of one hour lectures on technology topics.

On Friday, May 27, from 11 a.m. to noon, Dianna will teach a class on how to look at where your information is coming from online and how to know if that source is a reliable or a biased source. We all get so much information online these days, and it's always good to understand who is giving you the information and where they are getting it from. These classes are free to all and we would love to have suggestions on technology topics that you would like to learn more about.

Yoga with Jessica every Tuesday and Thursday morning, from 10:30 - 11:30 a.m., in the Lakehills Library Meeting Room. The class is for all ages, and free. Please bring a mat and water.

Children's storytime is every Wednesday at 10:30 a.m. Come to enjoy preschool-aged crafts, songs and stories.

The Lakehills Area Library is at 7200 FM 1283. Hours are Monday, Wednesday and Friday, 10 a.m. to 5 p.m.; Tuesdays and Thursdays, 10 a.m. to 6 p.m.; and Saturdays, 10 a.m. to 2 p.m.
