## **Bandera ISD Girls Track**

Bandera senior Hannah Edwards will sign a national letter of intent with UT Dallas this Friday morning at the Bandera High School cafeteria. She will run cross country and track and field for the NCAA Div. III Comets.

Edwards, one of the BHS 2022 Top Ten academic students. was recently named to the THSCA First Team All-Academic list for Track and to the TASC Academic All-State list, the THSCA Academic All-State list and Academic All-District list for soccer.

She will be a welcome addition to the Comets cross-country team that only had three runners, two freshmen and a sophomore, compete at the NCAA DIII West Region Championships last November.

## **Boys Track**

Bandera's two representatives at the State Track and Field Championships held their own and one stood on the podium in Austin. Junior Braden Cox finished ninth in a fast field of 1600m runners at the meet.

Cox ran a 4:39.75 and gained some valuable experience that will help if he should qualify to return to state in his senior year.

Senior Tyler Moore ran in the 110m and 300m Hurdles finishing third and fourth respectively. His time of 14.52 in the 110m was a new Bandera High School record.

In the 300m race, Moore caught a hurdle early and then caught the final hurdle that cost him a podium, running a 38.68 to just miss another bronze medal by .25 seconds.

Moore will compete for UA Little Rock in track and field.

### **Summer Camps**

Bulldog Track Camp have been released for this year. The camp will take place at Bulldog Stadium on May 31 and June 1 from 8 a.m. until 10 a.m. and is open to K through eighth graders. Cost of the camp will be \$30.
