Triple H Equitherapy pays tribute on Armed Forces Day

Triple H Equitherapy Ranch hosted a free family fun day for Armed Forces Day, paying tribute to veterans, all men and women who serve the United States' armed forces, and their families.

The program, held Saturday, included testimonials from participants in the Triple H Equitherapy Horse Power for Heroes program; a meet and greet opportunity with therapy horses; free lunch and refreshments; games and face painting for children; and live music and entertainment with world-famous trick roper Kevin Fitzpatrick and his horse Romeo, and the Texas Thunder Drill Team.
