Bandera General Store awards college scholarship

Bandera General Store owners Glen McComb and Marcia Kabat awarded a \$500 scholarship to Texas A&M Freshman Chelsey Graves. Graves began working at the store three-and-a-half years ago, after being introduced by her older sister Sydney - also a former employee, scholarship recipient and Texas A&M graduate. Graves graduated from Bandera High School in 2022, and will attend Texas A&M to study biological and agricultural engineering.
