Lynn Palmer announces for Bandera City Council

I would like to announce my candidacy for one of the open positions on the City Council in the upcoming Bandera municipal elections in November.

As a business owner for over 22 years and a resident for 45 years, I consider myself blessed and fortunate to live and work in Bandera. My experience is my strongest qualification to serve on the board. I served on Council for three terms from 2001-2007, and threw my hat back into the ring and represented the city residents again from 2018-2020.

My campaign slogan is “Focused On Our Future.” The highest priority will be the purchase of land and relocation of the city’s Waste Water Treatment site. We must accomplish this project for the economic development of our city.

An elected official’s job should be to ensure our community’s safety, promote a positive environment for families to live in and business to grow.

We must work together with our residents, tourists and business owners to continue to be economically viable. I am committed to Keep Bandera Bandera to live, work and play, keeping our smalltown lifestyle.

I am looking forward to serving my community. Please email me at [lynnpalmer626@gmail.com](mailto:lynnpalmer626@gmail.com) if you have any questions or concerns.

Thank you.
