Community Action Group organizes annual Christmas Lights at the Courthouse

By Jack U. Moseley  
Commissioner Precinct #3

This will be the fourth year that a group of volunteers will decorate the Bandera County courthouse and courthouse lawn.

Last year a new group of volunteers was formed (Bandera Community Action Group). The BCAG assisted at the courthouse, but mostly at City River Park putting up their decorations and helping other (groups, churches, businesses) with their displays.

Let's make this year bigger and better. Give back to your community by volunteering to decorate a section or just help who ever needs it.

There will be an organizational meeting Wednesday, Oct. 12, at 5 p.m., at Mansfield Park REC Hall.
