Some of Bandera's best-known veterans have put together another all-male calendar revue. Not afraid to show their silly sides, these seasoned soldiers are showing some skin to raise funds for those in need.

With a little bit of poise and a lot of pose, U.S. Marine Corps Veterans Nick Barron, Jerad Wilcox and company are the featured fellas for the 2023 Vet Bods of Bandera County Dudeoir Calendar.

"Vet Bod is just like Dad Bod, just way cooler and with more knee pain," Barron said.

Organizers are looking for sponsors, donations and store fronts. The release date will be announced. Proceeds from the sales will go toward helping local families during the holidays.
