

October 28, 2022

Because of your interest and the efforts of more than 30 volunteers, the county commissioners approved Thursday opening the Bandera dump site (between Mansfield Park and the Bandera Electric Coop) for recycling to all county residents, beginning Saturday, 9 a.m. to 3 p.m. Please help us show the county that we want recycling to continue by bringing corrugated cardboard, aluminum cans, and #1 plastic bottles during that period Oct. 29 and each Saturday afterward.

With success at the Bandera site, we hope to expand the recycling to other solid waste sites in the county in the coming year and include other items for recycling. In the meantime, come to Bandera (3012 SH 16 N). A huge thank you to Commissioner Jody Rutherford, Rachel Hering of Keep Texas Recycling and all of you who volunteered to work at the site and get this back on track.
