History is made!

By Lindsey Kunz  
Medina ISD Superintendent

Medina Bobcat football earned the district's first football playoff win in school history after defeating Chester on Friday. Very cold temperatures and muddy field conditions did not deter the Bobcats from meeting their goal of solidifying themselves into the record books. The win moves the Bobcats to 11-0 on the season.

Medina will now take on Jonesboro for the Area Championship. The game will be played in San Saba at Rogan Field on Friday, Nov. 18, at 6:30 p.m.
