Pipe Creek animal rescue receives \$25k grant

By Donna Witt
Board Secretary, A Doggie 4 You

A Doggie 4 You is proud to announce a \$25k 2022 Responsive Grant award from the San Antonio Area Foundation, <https://www.saafdn.org/>, to assist with the ever-rising daily operation costs at our rescue.

With the assistance of the SAAF award, we are able to meet our 2022 expenses. Although we are mainly an all-volunteer run nonprofit, the cost of a large rescue which can house, feed and meet all the needs for up to 150 dogs each day is a very expensive task.

We truly appreciate the assistance and trust the San Antonio Area Foundation has provided A Doggie 4 You to assist numerous homeless dogs seeking their forever families.
