

The Bandera PROPHEET

January 23, 2023

Thanks y'all

This is the fourth year I have had the opportunity to thank all the folks who came out to help put up Christmas displays on the courthouse lawn, also it's the second year we have put up displays in City Park on the river.

This is done by volunteers and BCAG (Bandera Community Action Group), trying to help the community. We hope it can grow to more than just Christmas.

The two ends of the park were done by BCAG and the middle was filled in by clubs/groups/churches/businesses. Last year we had 12 displays, this year there were 20, with a lot of room to grow.

This year was a little difficult because of weather, if you remember it did rain in November when we were trying to put up the displays, and even when we were taking them down. The weather made it difficult to schedule the Christmas carolers and music groups we've had in past.

Thanks to all who helped: Bandera 4H; Pipe Creek 4H and all of the 4H parents; Boys & Girls Club; Bandera Wranglers; Bandera Chamber of Commerce; Bandera CVB; Bandera County Juvenile Probations; Bandera County for use of the courthouse lawn and a \$600 grant; City of Bandera for use of City Park, bucket truck and employees; Bandera EDC for lights and displays; and of course Chip Aragones for putting the lights on the courthouse.

Keep up the good work.
