

# The Bandera PROPHEET

March 21, 2023

Rainwater Collection workshop planned for March 29

The Texas A&M Agrilife Extension, Bandera County office, will host a workshop on Rainwater Collection at Home.

Homeowners will be taught the basics of setting up a rainwater harvesting system, and how to use the harvested water for gardening, livestock and wildlife.

The free workshop will be Wednesday, March 29, from 5-7 p.m., in the Mansfield Park Rec Hall.

Please call 830-796-7755 for more information.
