Bandera production company honors the fallen

By Christopher Dion
Special to the Prophet

A project in the works by Will Jenkins, of Up Style Productions in Bandera, will feature Michelle Murray-Poczobut, of the American Legion, playing TAPS in honor of our fallen dogs and handlers. It will also feature Robert Real, of San Antonio Pipes and Drums, playing Amazing Grace on the bagpipes to honor the Law Enforcement role of many of our fallen.

Please see the video of Murray-Poczobut and Real playing at youtube.com/watch?v=CqIYQhgDDQg
