

The Bandera PROPHECY

September 8, 2023

Today in Texas History

By Bandera Spirits of Texas
The Bandera Prophet

On this day in 1900, a catastrophic hurricane struck the city of Galveston on the Texas coast. A third of the city was destroyed, and 6,000 to 8,000 people died.

Galveston Island was completely inundated. Property loss was estimated at \$30 million. The storm is considered the worst recorded natural disaster ever to strike the North American continent.
