The Bandera Prophet

It's impossible to miss. Against the backdrop of our iconic hills, the Hyo Silver billboard greets motorists on Hwy. 16 and says, "you've escaped the city and have entered Bandera, the Cowboy Capital of the World." Featured on that billboard is one of their latest designs, created by Hyo Silver's talented team of artists.

"Sunset trail rides, chuckwagon dinners, and rowdy rodeos are just a few of the things you'll enjoy here in the cowboy capital of the world, Bandera, Texas! Born and raised or passin' through, celebrate Bandera in true Hill Country fashion with the go-to western accessory for any cowboy or cowgirl. You'll love this buckle featuring a bucking bronc and our traditional hand engraved scroll work."

The buckle, handmade and plated with 10K rose and yellow gold and sterling silver, can be seen in their downtown showroom - a Texas Historical Landmark - at 315 11th Street, Bandera.
