Food, health fair, immunizations on Monday

The Silver Sage is partnering with Lakehills United Methodist Church in an effort to make immunizations more accessible. Join them on Monday, from 4-6 p.m., at the Lakehills United Methodist Church for a free meal, health fair, and immunizations. The updated Covid-19 (5-plus years old) and flu available.

If you have insurance, please bring your information. If you don't, we will not only cover it, but we will also work with you to see how we can help you access healthcare.
