Laura Neely announces for Bandera County Republican Precinct Chair 204

My name is Laura Neely. I am a Precinct Chair 204 Republican Candidate in Lakehills, Bandera County.

My husband of 35 years and I have owned, built and lived on several properties in Bandera County since 2004. We have lived in Precinct 203 and have lived in our current residence in Precinct 204 for almost four years. We have two lovely daughters that are both college graduates. We have one granddaughter who makes us smile everyday. We also love our pets who keep us busy. We have many established ties to our beloved Bandera County since the late 1970s. During the time my family has resided here, I have made many friends, both personal and professional. I am a bilingual self-taught home builder with a background in banking and sales. I've worked for Spectrum, formerly Time Warner, Cingular, Credit Human (SACU), Texas Saving & Loan and other reputable financial institutions. But because of my love of country life, I pursued homebuilding.

I will represent the people of Lakehills Precinct 204 to the best of my hard-working ability. Anyone who knows me can tell you my word is Gold and my handshake is my Bond. I have the gift of gab and great listening skills. I will move Lakehills in the conservative direction. I am a person of Honesty, Integrity and Spiritual Faith. I believe the Lord has a plan and when a door closes, another opens!

A vote for me is a vote to keep true Conservative Values Alive!
