“I loved what I saw from our group in Devine,” Farrell said. “The young guys showed that we have some strong depth and are only going to improve at district in the next few years.

The Bulldogs will be back in action at the Randolph meet on Thursday as they continue to prepare for the District 27-4A Track Meet in April.

“I’m looking to see our relay handoffs be polished at Randolph,” Farrell said. “We also want to see everyone to hit some season bests – it’s going to be a competitive meet.”
