Recycling returns to Lakehills

By Robert Brischetto
Don't Make Waste Bandera

The Lakehills trash disposal site, 105 Ohio Ave., is now taking recycling on Saturdays, 9 a.m. to noon and 1-4 p.m.

With a grant from H-E-B through Keep Texas Beautiful, the volunteers of Don't Make Waste Bandera have designed and built a *Recyclemobile* to collect and transport recyclables from Lakehills to the central recycling site in Bandera, next to Mansfield Park.

DMWB is requesting Lakehills residents to come forward with three items only at this time: corrugated cardboard, #1 PET plastic bottles (without lids) and aluminum cans.

If you would like to help with your time or donations to keep recycling in Bandera County, visit their website DMWB.net, or their Facebook page [Bandera Recycles](#).
