The Bandera Prophet

The Bandera County community is mourning after news of a fatal car crash that killed three members of a Pipe Creek family Tuesday evening. According to reports, a Ford F-250 and a Toyota Corolla were involved in the accident on Hwy. 46, about five miles from Boerne. In the Corolla were Roger and Patricia Waid, and their daughter, Bandera High School student Blake Waid, 14, all of whom died at the scene. The driver of the F-250 was transported to a San Antonio hospital.

The investigation is ongoing.

A fundraiser has been launched by the Schreiner University Baseball Team to support Roger and Patricia's surviving children: Barrett, a student at SU, and his older sister Brooke. Please see <https://gofund.me/bb625927>
