Bandera Trades Calendar to benefit Bandera ISD CTE Program

The Bandera ISD Education Foundation is hosting the 2026 16-month Bandera Trades Calendar, which will benefit the Bandera ISD's CTE Program.

The idea stems from a funny Facebook post by Buddy's Water Well and Septic Service, and has taken shape into a fundraiser. Sponsor logos range from \$50 to \$850, and the calendar will sell for \$25 each.

Proceeds will be donated to Bandera ISD to be placed in a special fund for the CTE Program.

The Career Technical Education (CTE) Program provides students academic and technical skills, knowledge and training. Courses include agriculture, food, architecture and construction, the arts, communications, business, marketing, finance, health science and information technology.

To sponsor the calendar, go to <https://forms.gle/mNqPNoAENW1bm7RF9>
